

# Polls, Polls and more Polls... Will they EVER get it right?

## Every four years, the big story is 'the underdog'

The candidate is reportedly polling low, is largely dismissed by the media, and then **wham!** He places high in an early primary state...or even wins!

Remember Kerry? Buchanan? McCain? Clinton?

They **shocked** the media and the "experts". **They shocked everyone!**

## So who will be this year's underdog primary SHOCKER?

**Could it be the one who:**

- Has won more straw polls than any other candidate?
- Has won more post-debate polls than any other candidate?
- Attracted a grassroots movement of more than 100,000 volunteers?
- Raked in a record-breaking \$6,000,000 in ONE DAY from 58,000+ donors?
- Receives more donations from active duty military & veterans than any other candidate?
- Was awarded "Taxpayers' Best Friend" in Congress...10 years in a row?
- Puts forth an exhilarating message of liberty, backed by a proven voting record?

Who will be this year's "underdog" story? Why, Ron Paul, of course!

## Stay Ahead of the Curve!

This time, find out **before the story breaks** why his message has energized tens of thousands of concerned Americans to sacrifice their time and money in support of this noble statesman.
